## Boarding Agreement with Request for Information, Explanation of Policies, and Preauthorization for Emergency Care

Owner's/Authorized Agent's Name \_\_\_\_\_

Pet's Name \_\_\_\_\_ Boarding Dates: \_\_\_\_\_

At Bluffs Animal Hospital we take pride in providing a clean, safe and friendly environment for your pet(s) during your absence.

### Vaccines and External Parasites

In order to protect the health of your pet, this facility requires documentation showing that all boarding dogs have current rabies, DA2PP, and *Bordetella* vaccines, and cats have current rabies and RCCP vaccines. If any of your pets' vaccinations are past due, they will be administered while boarding. Pets that are so young that they have not completed their entire series of vaccinations may not yet be protected and, thus, owners accept any risks of infection. Also, your pet(s) will be examined for the presence of external parasites (fleas, ticks, etc) and treated accordingly. **I agree to pay all related expenses associated with these treatments. \_\_\_\_\_ (please initial).**

### Diet

We provide Hill's Science and Prescription Diets or Royal Canine Prescription diets for our boarders. We will be pleased to feed another commercial or prescription diet of your choice if you bring it with you.

### Medications

If your pet will be receiving medication during his or her stay, it must be in the original veterinary-labeled container with instructions for administration and your veterinarian's phone number. Fees for medications that need to be filled or refilled during the time your pet is boarded will be added to your bill. **I understand there is an additional daily fee for medications administered while boarding. \_\_\_\_\_ (please initial).**

### Statement of Kennel Policy

1. Boarding is charged on a per night basis.
2. Pets must be picked up between 8am and 5pm Monday through Friday and between 8am and 11:30am on Saturdays (unless prior arrangements have been made).
